Please note that it is not possible to accept any requests for variations, whether for health reasons (allergies, food intolerances, celiac), religious, personal taste or dietary, because the space and complexity of the service do not allow to ensure the proper management of special diets. Allergens will be clearly indicated in the composition of each dish. We inform you that the catering company providing the catering service, Vi.co.ok S.r.l., while adhering to the most scrupulous observance of hygiene and sanitary rules in the preparation of food, does not guarantee the absolute absence of traces of these allergens in the dishes served.

The company, depending on seasonal availability, uses fresh or defrosted quality products (marked with *) in accordance with the legal requirements, the fish intended for consumption as raw has been treated prior to remediation. It may also have been kept at negative temperatures ($\leq -20^{\circ}\text{C}$ for 24 hours/ $\leq -35^{\circ}\text{C}$ for 15 hours) and have undergone freezing treatment.
